## EXAMPLE

READ: 1 Corinthians 10:1-6

**And if He turned to ashes the cities of Sodom and Gomorrah when He condemned them to destruction, having appointed them to serve as an EXAMPLE to future generations of the ungodly,**  
**-2 Peter 2:6 | NET**

The Bible is a manual for everyone and it contains all the good and bad examples that we need to adhere to. Siphoning these key things from the Bible, is not difficult to apprehend, since they are all disclosed clearly for even the simple to grasp and understand. I always say that, Adam and Eve are not to be blamed too much for letting sin come through their grasps because, they didn't have any Bible to tell them the history of Satan's fall in heaven.

Adam only knew in part about what God told him not to eat from the forbidden tree, but only if he knew what death was and what it could do by a certain Bible, I don't think maybe man would have fallen by then. Now, many people say that they could overcome sin if they were Adam and Eve. You will never be Adam and Eve. You are who God created you to be. You are here with Satan but yet, he continues to defeat you day in and day out causing you to sin and to commit iniquities always. Probably you are worse than Adam and Eve.

Probably you could have uprooted the entire forbidden tree in Eden, replanted it in your house and ate from the fruits, thereof knowing the enlightenment it brings. The forbidden tree carried wisdom but that wisdom was not from God. Though God created it, He was not in support of it. I was preaching about alcohol and someone asked me that, **'Why is it that God doesn't support alcoholism but isn't He the same person who created palm tree and other sources we can get alcohol from?'** I reasoned for a moment and said: **'Indeed God created them but He doesn't want you to use them for the purpose of alcohol'.**

There are two main examples we can learn from the Bible: The destruction of the world by flood and the destruction of Sodom and Gomorrah by fire. These examples serve as deterrent for a great danger ahead that had never happened and will never happen again. (Matthew 24:21). Will you be wise enough to be able to learn from the two great examples and escape that day or you will be a fool to discard them and suffer that day?

**Stay Blessed**
